## COMMUNICATION

Communication between home and school supports a student's learning and well-being. We value respectful and direct communication.

If you have pedagogical questions or concerns, please speak to the student's teacher.

If you have an administrative or financial concern, please speak to the Administrative Head or Finance Officer.

## COMMUNITY PARTICIPATION

***Each family is asked to make a donation to our fall Annual Giving Campaign.***

As an independent school and not-for-profit charitable organization, Mulberry relies on tuition revenues and donations to operate our school. Tuition revenues fund only 90% of our operating and capital costs, which include very modest salaries for teachers, mortgage and maintenance, and tuition assistance. ***Charitable tax receipts are issued for all monetary donations over \$20.***

***Each family is asked to volunteer and participate in the school community.***

Parents/Guardians are an integral part of the fabric of our school. Their commitment and involvement are crucial to its continued success. ***In September, a member of the Administrative Team will contact you to confirm how you plan to be involved.***

## ASSESSMENTS AND EXTERNAL SUPPORT

We ask that parents/guardians share any potential or existing health, educational or behavioural concerns, as well as any progress reports and/or assessments (e.g., reports from previous schools and any psycho-educational, speech language therapy, occupational therapy, physiotherapy assessments). ***Sharing this information and any updates is essential to support the student's learning and well-being.***

If a student's needs cannot be met by our program and our staff, a teacher will meet with the parents/guardians to share observations and discuss options. The teacher may recommend assessments and/or external support. The school reserves the right to discharge a student if we are unable to meet the student's needs while continuing to meet the needs of the other students in the class.

I/We agree to discuss and follow recommendations made by the student's teacher regarding assessments and external support for learning and/or behavioural challenges when the student's needs cannot be met using the resources available at Mulberry Waldorf School.
