PARENT/GUARDIAN PARTICIPATION

The commitment and involvement of each parent/guardian is crucial to the school's success.

We ask each parent to:

- Join a Standing Committee of the Board - Finance, Marketing, Property, Community Development, Health and Safety, or
- Join our Inclusion, Diversity, Equity, and Accessibility (IDEA) Working Group, or
- Share your passion or expertise – carpentry, gardening, photography, reading with a class, helping on a field trip, helping at a festival or social event, baking for a fundraiser, sewing, etc.

Please indicate which committee(s) or working groups you would be interested in joining, OR other interests/skills that you could offer to support the school:

We look forward to connecting with you in September to discuss how you may become involved.

ANNUAL GIVING CAMPAIGN

As an independent school and not-for-profit charitable organization, Mulberry relies on tuition revenues and donations to operate our school. Tuition revenues fund only 90% of our operating and capital costs. ***Each family's donation helps sustain our school. Watch for news about our Annual Giving Campaign in the fall!***

ASSESSMENTS AND EXTERNAL SUPPORT

We ask that parents/guardians share any potential or existing health, educational or behavioural concerns, as well as any progress reports and/or assessments (e.g., reports from previous schools and any psycho-educational, speech language therapy, occupational therapy, physiotherapy assessments).

Sharing this information and any updates is essential to support the student's learning and well-being.

If a student's needs cannot be met by our program and our staff, a teacher will meet with the parents/guardians to share observations and discuss options. The teacher may recommend assessments and/or external support. The school reserves the right to discharge a student if we are unable to meet the student's needs while continuing to meet the needs of the other students in the class.

I/We agree to discuss and follow recommendations made by the student's teacher regarding assessments and external support for learning and/or behavioural challenges when the student's needs cannot be met using the resources available at Mulberry Waldorf School.
